

Prokord UTP-60.5B

Data sheet

Core Specs

Connector 1	RJ-45
Connector 2	RJ-45
Cable standard	Cat 6
Cable shielding	U/UTP (UTP)
Cable length	0.5 m
Jacket material	LSZH

Summary

- ✓ Cat6 performance for short, low latency links between switches and devices
- ✓ Flat 0.5 m cable tucks under desks and along walls to reduce clutter
- ✓ LSZH jacket limits smoke and toxic fumes in populated spaces
- ✓ Copper conductors maintain consistent signal integrity and speed
- ✓ Molded RJ-45 plugs provide a secure, easy to fit connection

Product description

Why choose this networking cable?

Prokord UTP-60.5B networking cable Black 0.5 m Cat6 U/UTP (UTP) is a short, flat patch cable that delivers reliable Cat6 throughput in confined spaces. It reduces clutter in rack and desk runs while the low smoke zero halogen jacket improves safety in populated or enclosed areas.

Prokord UTP-60.5B in short:

- Flat Cat6 cable for neat routing under desks, along walls, or behind equipment.
- LSZH jacket limits smoke and toxic gases, suitable for offices and data centre interiors.
- Copper conductors and U/UTP construction provide stable, low-latency links over the short 0.5 m span.
- Molded straight RJ-45 male connectors give a secure fit to switches, patch panels, and network devices.
- Consider that this cable is for indoor, short-range connections and not intended for outdoor or weather-exposed use.

Prokord UTP-60.5B details

Prokord UTP-60.5B is designed for quick, tidy connections between nearby network devices. The flat profile hides easily and helps keep cable runs organised. Copper conductors maintain consistent signal integrity for typical Cat6 use, and the LSZH jacket reduces risk in areas where low smoke emission is important. The 0.5 m length reduces excess slack, making setup faster and cleaner.

Technical Specification Matrix

Header

Manufacturer	Prokord
Model	UTP-61.0B

Features

Cable length	0.5 m
Cable standard	Cat 6
Cable shielding	U/UTP (UTP)
Connector 1	RJ-45
Connector 1 gender	Male
Connector 1 form factor	Straight
Connector 2	RJ-45
Connector 2 gender	Male
Connector 2 form factor	Straight

Product colour	Black
Jacket material	LSZH
Cable shape	Flat
Conductor material	Copper
