Product description

Stylish and practical backpack

Ergonomically designed for optimal comfort

The Cirafon BACKPACK CITY PRO III 16" is designed with ergonomics in mind to provide maximum comfort throughout the working day. The padded back panel with ventilation function ensures you stay cool and comfortable, no matter how long you wear the backpack.

Practical and versatile

With a whopping eight compartments, this backpack offers outstanding organization and easy access to all your belongings. A padded compartment for laptops up to 16" protects your gear, while additional zippered pockets and compartments provide space for all your essentials.

Stylish and durable design

Made from durable nylon in a sleek black color, this backpack combines style and functionality. The sleek design allows you to carry it with confidence, whether you're heading to a meeting or traveling between offices.

Comfortable to carry and travel with

The adjustable shoulder strap and trolley strap make this backpack the perfect companion for traveling professionals. Carry it on your back or attach it to your suitcase for easy transportation through airports and train stations.

Specifications:

- Material: Nylon
- Color: Black
- Maximum screen size: 16 inches
- Volume: 22 liters

Invest in a backpack that combines comfort, practicality and stylish design. Perfect for the modern business person who demands the best in their daily life.
