Data sheet

Product description

Voxicon Wireless Travel Mouse T30WLB - Professional Bluetooth Mouse

Discover a smart mouse that combines advanced functionality with sleek design, perfect for modern workplaces and professional users. Plus, with the integrated presentation feature, you can enhance your presentations and take full control of your slides.

Key features:

3 buttons + touch design

Replace the traditional scroll wheel with an advanced touch surface that offers smooth and precise control.

Foldable design

The compact and portable design makes the mouse easy to take anywhere, ideal for business travelers and mobile professionals.

Bluetooth 5.0

Enjoy a stable and fast wireless connection with the latest Bluetooth 5.0 technology, providing reliable, uninterrupted performance.

Connect to three devices simultaneously

Easily switch between your computer, tablet and smartphone with the ability to connect to three different devices simultaneously. Perfect for multitasking and increased productivity.

1600 DPI

With a 1600 DPI setting, you get both precision and speed, adapted for both detailed work and fast navigation.

Rechargeable Li-polymer battery

The powerful 300mAh battery provides up to 40 hours of use on a full charge. Charging is easy with the included 0.5m USB Type-C cable.

Presentation function Make your presentations easier and more professional with the integrated presentation feature. Full control of your slides is just a click away.

Compact size and light weight

Measuring 55.8 x 70.51 x 27 mm and weighing only 60g, the mouse is both comfortable to use and easy to carry.

Summary

Discover a smart mouse that combines advanced functionality with a sleek and foldable design, perfect for the modern workplace. The compact and portable design makes it easy to take with you, ideal for professionals on the go. Despite its small size, the mouse offers reliable performance and also features an integrated presentation function

that gives you full control over your slides.
