Product description

Cirafon Recycled TPU Case - Durable & Shockproof

The Cirafon Recycled TPU Case is a thin, yet impact-resistant shell that protects your device from everyday wear and tear. It fits perfectly around the edges and protects against scratches and scuffs, keeping your device in top condition for a long time. It's lightweight, flexible and fits comfortably in your hand, while giving you full access to buttons, microphone, speakers, charging port and camera.

Sustainable & Made from Recycled Materials

The Cirafon Recycled TPU Case is made from 100% recycled TPU, certified to the Global Recycled Standard, and designed with sustainability in mind. According to an independent life cycle assessment, conducted in accordance with international standards ISO 14067 and ISO 14044, the case has a low carbon footprint of 0.103 kg (0.000103 tonnes) of CO? equivalents. The main impact comes from energy consumption during production, but by using recycled plastics and optimizing transport and waste management, the environmental footprint is minimized. Choose a case that protects both your device and our planet! ???

Cirafon - Quality & Protection for Your Devices

Cirafon offers a wide range of accessories for mobiles, tablets and computers, including phone cases, chargers, screen protectors, privacy filters and laptop bags. See also our range of Cirafon screen protectors for complete protection.
