- Height and tilt adjustable

Voxicon G34UHDW 34'

Upgrade your desktop with an ultrawide 34' monitor from Voxicon. Elegant design with discreet screen foot that takes up minimal space on the desktop. The monitor has all the connections you need HDMI, Displayport and headphone jack.

Work efficiently with multiple programs at the same time

With a screen area equivalent to two 22" monitors side by side and no distracting bezels, this monitor is perfect for working with multiple programs at once.

Stylish design

The monitor has a minimalist design and takes up little space on the desktop.

Picture-in-Picture (PIP)

With PIP, you can connect two different devices to display material from two different image sources simultaneously.

Premium VA panel

You get a true-to-life image with high brightness, incredible contrast and realistic colors.

HDMI-ready for high quality video

The monitor has all the connections you need 2xHDMI, Displayport and headphone jack.
