Product description

Voxicon Gaming Chair DC-GR8-920 – Ergonomic gaming chair with lumbar support and 2D armrests

Sit back and game in comfort. The Voxicon Gaming Chair DC-GR8-920 (CH06-14) is designed for gamers who need a durable, adjustable and stylish chair with ergonomic features. With a strong steel frame, breathable mesh fabric and multiple adjustment options, it's perfect for both gaming and remote work.

? Key Features:

- Adjustable backrest with tilt and rocking function
- Pneumatic height adjustment with 100 mm Class 4 gas lift
- 2D armrests for customized comfort
- Removable headrest and adjustable lumbar cushion
- Shock-absorbing nylon casters with 360° rotation
- Durable steel frame and breathable mesh upholstery
- Max weight capacity: 150 kg

Comfort you can feel

The first thing you'll notice about the Voxicon Gaming Chair DC-GR8-920 is its ergonomic support. The included headrest and adjustable lumbar cushion make it ideal for extended use. The mesh fabric keeps you cool and focused.

Adapts to your playstyle

Whether you're leaning in for intense action or leaning back after a win, this chair adjusts to you. The tilt and rocking function combined with a Class 4 gas lift gives you full control.

Smooth movement & stability

With five sturdy nylon wheels and full 360° swivel, this chair allows you to move freely and stay stable across any floor type.

Support where it matters

The 2D armrests can be adjusted vertically and horizontally, helping relieve pressure from your shoulders and wrists during long hours.

Built to last

With a steel frame, high-quality components and 150 kg capacity, this chair is made for long-term performance – whether for gaming or work.
