Product description

The Cirafon Privacy Filter for both laptops and desktop monitors provides excellent privacy protection. The function ensures that only people directly in front of the monitor can see its content. Fits screen sizes from 12.5' to 34' measured diagonally. The actual dimensions of the filter's viewing area (width x height) are 286X179mm (13.3")

Easy assembly

The filter is hung on the screen, making it easy to take off and put on. The filter also protects the screen from scratches and fingerprints.
