- ✓ Pop-Out Locking System: Ensures secure attachment and reduces the risk of accidental release.
- ✓ Anti-theft Design: Increases security.

Product description

Prokord Public Video Wall Mount Push

Key features:

- Modular System: Allows easy configuration change and addition of screens.
- Innovative Quick-Release: For quick and easy installation.
- Seamless Micro-Adjustments: Allows precision for optimal display alignment.
- Pop-Out Locking System: Ensures secure attachment and reduces the risk of accidental release.
- Anti-theft Design: Increases security.
- Kickstand Design: Facilitates easy cable management and maintenance.
- Robust Construction: Made of high quality steel and robust plastic.
- Powder Coated Surface: Elegant black texture to suit modern environments.

Efficient Mounting for Large Screens

The Prokord Public Video Wall Mount Push is the ultimate solution for installation companies that need reliable and flexible mounting of large screens. With its advanced features and high-quality materials, this wall mount is designed to meet the demands of any professional environment.

Quick and Easy Installation

The innovative quick mount allows for easy and smooth installation, saving valuable time during projects. The modular system provides the flexibility to change the configuration or add more displays at any time, making it ideal for dynamic installation environments.

Precision and Adjustability

With seamless micro-adjustments, the screen can be easily adjusted for perfect display alignment. This ensures optimal visibility and presentation in both landscape and portrait modes, suiting all installation needs.

Safety and Functional Design

Prokord wall mount is equipped with a secure pop-out locking system that minimizes the risk of accidental unloading. Its anti-theft design provides extra safety and security in public and commercial environments. The kickstand design allows for easy cable management and maintenance, improving the user experience.

The Prokord Public Video Wall Mount Push is the perfect choice to safely mount and efficiently manage large screens in any professional installation. Give your business the best solution for digital displays and maximize your customer's visual experience with this state-of-the-art wall mount.

Model	DUS-P46T

Mounting

Maximum weight capacity	70 kg
Maximum screen size	70 "
Mounting type	Wall
Minimum VESA mount	200 x 200 mm
Maximum VESA mount	600 x 400 mm
Panel mounting interface	200 x 200, 300 x 200, 300 x 300, 400 x 200, 400 x 300, 400 x 400, 600 x 400 mm

Ergonomics

Distance to the wall (max)	325 mm
Adjustable depth	Yes
Height adjustment	Yes
Distance to the wall (min)	120 mm
Height adjustment type	Manual
Tilt adjustment	Yes
Direction indicator	Yes

Design

Product colour	Black
Anti-theft function	Yes
Housing material	Steel
Accepts padlock	Yes

Weight & dimensions

Width	640 mm
Depth (min)	120 mm
Depth (max)	325 mm
Height	544 mm

Packaging content

Screw nuts included	Yes
Manual	Yes

Bolts included	Yes
