Product description

Flexible Mounting with Prokord Wall Rack 19" 4U

The Prokord Wall Rack 19" 4U offers a flexible and reliable mounting solution for your rack-mounted devices. With an adjustable depth from 236 mm to 400 mm, this wall rack adapts perfectly to your needs. The robust construction of 1.5 mm black powder-coated steel ensures durability and long-term use, making it ideal for both small and large businesses.

Complete Mounting Kit for Easy Installation

The Prokord 19" 4U Wall Rack comes with a complete mounting kit containing M6 set of 8 parts (screws, nuts and washers). This ensures a quick and hassle-free installation, so you can focus on getting your equipment up and running quickly. The sleek black finish not only enhances the appearance of your rack, but also protects against wear and corrosion.
