Product description

Prokord Brush Plate 19" 1U with 4 brush holders

Efficient cable management

The Prokord Brush Plate 19" 1U with 4 brush holders is the perfect solution for keeping cables organized and tidy in server racks or AV installations. The brush-covered openings make it easy to pull cables through while protecting them from wear and tear.

Robust construction and easy installation

This brush plate is made of 1.2mm thick sheet metal to ensure long-lasting durability and reliable use. With its standardized 19" 1U size, it is compatible with most racks and cabinets, making installation smooth and hassle-free. The Prokord Brush Plate not only offers a functional solution for cable management but also provides a professional finish to your installation.
