

Wireless Charger Qi2 Small Stand 1.5m White

Data sheet

Product description

Cirafon Wireless Charger Qi2 Small Stand

Elegant and Efficient Charging Solution

Discover the Cirafon Wireless Charger Qi2 Small Stand, the ultimate charging solution for your mobile devices. With a focus on convenience and efficiency, this wireless charger supports fast charging up to 15W, ensuring that your iPhone or other Qi2-compatible device charges quickly and reliably. Whether you're at home or in the office, this charger is your best accessory for your phone.

Stylish Design with Practical Features

The Cirafon Wireless Charger Qi2 Small Stand has a sleek and compact design that makes it perfect for travel and daily use. With a diameter of only 59.8 mm and a height of 16.7 mm, this charger fits comfortably on any desk or bedside table without taking up too much space. Its pop-up stand feature makes it easy to see your device while it's charging, which is ideal for video calls, video viewing or simply keeping track of notifications.

High Quality and Reliable Performance

Made from durable plastic in a stylish white finish, the Cirafon Wireless Charger Qi2 Small Stand is not only stylish but also built to last. It comes with a 1.5 meter cable, providing enough length to reach your USB power source. Certified by Qi, this charger guarantees safety and efficiency. With a two-year warranty, you can rely on its long-term performance.

Practical Packaging and Easy Installation

The Cirafon Wireless Charger Qi2 Small Stand is ready to use right out of the box. Simply connect to a USB power source, place your device on the stand and enjoy the convenience of wireless charging.

Upgrade your charging experience with the Cirafon Wireless Charger Qi2 Small Stand - where style meets functionality.
