Product description

Prokord Workplace Power Adapter 20V/6A – Spare Part for Docking Stations

Prokord Workplace Power Adapter 20V/6A is a genuine spare part designed to deliver stable and reliable power to Prokord docking stations. With an output of 20V and 6A, it's specifically suited for docks with power needs up to 80W.

This adapter is compatible with the following model:

- Prokord Workplace Ultradock 4K DisplayLink 80W

It's the perfect replacement if the original is lost, damaged, or if you need a spare – easy to connect and ready to use immediately.

Features:

- Original adapter for Prokord Workplace Ultradock 4K DisplayLink 80W
- Output: 20V / 6A
- Safe and stable power delivery
- Easy installation – plug and play
- Durable design for everyday professional use

Stable, reliable, and optimized for modern workstations.
