- ✓ USB 2.0 supports reliable data sync and device charging
- ✓ 1.3m cable gives flexible reach for desks and meeting rooms
- ✓ Made by CiraFon for standard office device connectivity

Product description

Why choose this USB cable?

Cirafon CF-AC-TPE-1.3-B# USB cable 1.3 m USB 2.0 USB A USB C Black gives reliable charging and file transfer with wide device compatibility. The 1.3 m length keeps devices within reach while limiting clutter. USB 2.0 support ensures stable syncing for phones, tablets, and accessories. A flexible TPE jacket and reinforced connectors increase durability for daily use.

CF-AC-TPE-1.3-B# USB cable 1.3 m USB 2.0 USB A USB C Black in short:

- Connects USB-A hosts to USB-C devices for charging and data sync.
- 1.3 m length, suitable for desk, travel, and in-car use.
- TPE outer jacket and molded strain reliefs for everyday durability.
- Black finish blends with standard office and home setups.
- Note: USB 2.0 supports standard data rates and typical charging, not USB 3.0 speeds, high-wattage PD charging, or video output.

CF-AC-TPE-1.3-B# USB cable 1.3 m USB 2.0 USB A USB C Black

This cable links legacy USB-A ports to modern USB-C devices, making it practical for mixed-device environments. The reversible USB-C plug simplifies connections so you can plug in quickly. At 1.3 m the cable balances reach and manageability for workstations and on-the-go charging. The design focuses on everyday reliability rather than high-speed or high-power applications.
