Product description

Why choose this USB cable?

Cirafon CF-CC-SIL-2.0-W USB cable 2 m USB 2.0 USB C White provides a practical USB-C to USB-C connection for charging and basic data transfer. The two metre length gives flexibility for desk setups and distant outlets. It supports USB Power Delivery up to 240W for high-power charging and the white finish keeps a neat, professional look.

CF-CC-SIL-2.0-W USB cable 2 m USB 2.0 USB C White in short:

- USB-C to USB-C male connectors, 2 m length, useful for laptops, tablets, and phones.
- USB 2.0 data transfer, suitable for charging and everyday file syncing.
- Supports USB Power Delivery up to 240W for powering higher-demand devices.
- White design with reinforced connector heads for regular use.
- Consider higher-speed USB 3.x cables if you regularly transfer large files.

Product details

The Cirafon CF-CC-SIL-2.0-W is designed for reliable charging and standard data syncing between USB-C devices. Both ends are male USB-C connectors that fit modern chargers and ports. With its 2-metre reach you can place devices or chargers where they are most convenient. The cable supports high-power delivery so it can work with powerful USB-C chargers while keeping a discreet white appearance.
