- ✓ USB 2.0 supports reliable charging and straightforward data sync
- ✓ 240W Power Delivery enables faster charging for power-hungry devices
- ✓ Round cable and molded connectors resist tangles and wear

Product description

Why choose this USB cable?

Cirafon CF-CC-SIL-3.0-W# USB cable 3 m USB 2.0 USB C White gives you a long, flexible connection for charging and basic data sync. The 3 metre length keeps devices reachable from distant chargers and docks. It supports USB Power Delivery up to 240W for fast charging, while the white finish and branded connector housings suit a clean, professional setup.

CF-CC-SIL-3.0-W# USB cable 3 m USB 2.0 USB C White in short:

- 3 m USB-C to USB-C cable for extended reach between devices and power sources.
- Supports USB Power Delivery up to 240W, enabling fast charging for laptops and high-power devices.
- USB 2.0 data support for syncing and peripherals, suitable for everyday file transfers and accessories.
- Round cable construction for flexibility, with white finish and branded connector collars for a neat appearance.
- Note: this cable uses USB 2.0, so it is not intended for high-bandwidth USB 3.x data transfers.

Product details

This Cirafon USB-C cable connects two USB-C devices with reversible male connectors for simple plug-and-play use. Fast charging is supported through USB Power Delivery up to 240W, so you can charge laptops and power-hungry devices from compatible chargers. Data transfer uses the USB 2.0 standard, which covers common syncing tasks and accessory connections. The round white cable and silver-trimmed connector housings offer a tidy, professional look while staying flexible for desk or travel use.
