Product description

Why choose this USB cable?

Cirafon CF-CC-SIL-2.0-W# USB cable 2 m USB 2.0 USB C White gives you a longer reach for charging and syncing USB-C devices. With 2 m length and USB Power Delivery up to 240W, it supports charging of larger devices while keeping data transfers and device communication straightforward and reliable.

CF-CC-SIL-2.0-W# USB cable 2 m USB 2.0 USB C White in short:

- 2 m USB-C to USB-C cable for added reach at desks and workspaces.
- Supports USB 2.0 for standard data transfers and device syncing.
- USB Power Delivery up to 240W for charging laptops, tablets, and phones.
- White finish and reversible USB-C connectors for easy connection.
- Note: USB 2.0 provides standard transfer speeds, so choose a USB 3.x cable if you need higher data throughput.

Product details

The Cirafon CF-CC-SIL-2.0-W# is a straightforward accessory for charging and syncing devices with USB-C ports. Both ends have male USB-C connectors, making the cable compatible with modern laptops, tablets, power banks, and phones that accept USB-C power or data. The 2 m length adds flexibility for setups where outlets or docking stations are not close by, and USB Power Delivery support lets you charge power-hungry devices at higher wattages while maintaining reliable standard data connectivity.
