Product description

CIRAFON Eva Case for iPad 10th Gen (2022)

Premium Protection with Versatile Design

Equip your iPad 10th Gen (2022) with the rugged CIRAFON Eva Case, a solution that offers superior protection and functionality. Made from durable EVA foam, this case is designed to provide effective protection against bumps, scratches, and everyday wear and tear.

Key Features

- Shock-absorbing Design: The advanced EVA foam acts as an airbag for your iPad, reducing the risk of damage in the event of accidental drops or bumps.
- Multi-angle Stand: The innovative design includes an adjustable stand that folds at multiple angles, allowing you to use your iPad in both portrait and landscape modes for comfortable viewing and writing.
- Made of EVA Foam: High-quality EVA foam is both lightweight and durable, providing an extra layer of protection without adding bulk.

Durability and Functionality

The CIRAFON Eva Case offers robust protection against external influences. The lightweight yet durable material ensures that your device remains in excellent condition for a long time.

Perfect Accessory

For complete protection, we recommend complementing your new Eva case with a high-quality screen protector. We suggest the Glass Plus Screen Protector for iPad 10th Gen (2022) 10.9". Offering superior scratch and impact protection, this screen protector is the perfect complement to your CIRAFON case.

Why Choose CIRAFON?

CIRAFON is known for offering the highest quality accessories designed to meet your needs. Our range of mobile and tablet accessories is carefully selected and tested to guarantee the best possible quality and user experience.
