- ✓ Supplied as a single unit.

Product description

Why choose this silicone case?

Cirafon Silicone Shell Case for iPhone SE (2024) offers slim protection that preserves the phone’s profile while improving grip and resisting everyday scratches. The soft silicone exterior cushions minor bumps and slips on and off easily, keeping camera, buttons, and ports accessible without adding bulk.

Cirafon Silicone Shell Case in short:

- Slim silicone shell that protects against scratches and minor impacts.
- Soft-touch, monochromatic black finish for better grip and a low-profile look.
- Precise cutouts keep the 4.7-inch iPhone SE (2024) camera, buttons, and ports accessible.
- Snug, pocket-friendly fit that is easy to install and remove.
- Supplied as a single unit.

Product details

The Cirafon Silicone Shell Case is made from flexible silicone that cushions the iPhone SE (2024) and resists surface wear. The shell covers the back and sides while maintaining access to the camera and Apple controls through accurate openings. Its textured black surface reduces slipping and visible fingerprints, and the single-piece design keeps the phone compact.
