- ✓ Membrane keys for quiet, consistent typing.
- ✓ Built-in battery in the keyboard, no AC adapter included.
- ✓ Includes a compact office mouse for routine navigation; consider your charging or replacement plan for sustained use.

Product description

Why choose this keyboard and mouse set?

Voxicon Bt Keyboard 290 Black + Office Mouse Gr1000 gives you a compact, Bluetooth-driven input solution that reduces desk clutter and supports everyday office tasks. It combines a full-size Nordic keyboard with a numeric keypad and a straightforward office mouse to improve data entry, navigation, and general productivity with a discreet, monochromatic look.

Bt Keyboard 290 Black + Office Mouse Gr1000 in short:

- Bluetooth wireless set with around 10 m range for flexible workstation placement.
- Full-size Nordic keyboard with numeric keypad, suited for spreadsheets and long typing sessions.
- Membrane keys for quiet, consistent typing.
- Built-in battery in the keyboard, no AC adapter included.
- Includes a compact office mouse for routine navigation; consider your charging or replacement plan for sustained use.

Practical typing and layout

The keyboard delivers a familiar Nordic layout and a dedicated numeric keypad, so you can handle document work and number-heavy tasks efficiently. Membrane key switches keep typing noise low, which helps in shared workspaces. The black and silver finish provides a neutral aesthetic that fits most office environments.

Wireless setup and power

Bluetooth connectivity lets you place the keyboard and mouse without cables, and the 10 m wireless range supports flexible desk arrangements. The keyboard runs on a built-in battery, and no AC adapter is supplied, so plan for how you will recharge or power devices in your setup.

Mouse and everyday use

The included Office Mouse Gr1000 handles everyday pointing and scrolling for email, web browsing, and office applications. Together the keyboard and mouse form a tidy, monochromatic set that simplifies deployment and keeps your workspace uncluttered.
