

Wireless Bluetooth Mouse - High Precision for OfficeBluetooth Mouse Black, Grey

Data sheet

Summary

- ✓ Adjustable DPI: Choose between three DPI settings (800, 1200, and 2400) to adjust the mouse speed based on your needs and tasks.
- ✓ Four buttons: In addition to the standard left, right, and scroll buttons, a DPI toggle button allows for quick sensitivity adjustments, optimizing your work experience.
- ✓ Durable buttons: Built to last up to 3 million clicks, ensuring long-term reliability.
- ✓ Wireless connectivity: Bluetooth technology enables connection from up to 10 meters away, eliminating the need for a USB receiver.
- ✓ Ergonomic design: Specifically designed for right-handed users, offering enhanced comfort even during extended use.

Product description

ACUTEK Wireless Bluetooth Mouse

The ACUTEK Wireless Bluetooth Mouse is designed for efficient office work, offering a cable-free experience. It connects seamlessly via Bluetooth, providing you the freedom to work without the limitations of wires. The mouse features an ergonomic design tailored for right-handed users, ensuring comfort throughout the workday.

Features

- Adjustable DPI: Choose between three DPI settings (800, 1200, and 2400) to adjust the mouse speed based on your needs and tasks.
- Four buttons: In addition to the standard left, right, and scroll buttons, a DPI toggle button allows for quick sensitivity adjustments, optimizing your work experience.
- Durable buttons: Built to last up to 3 million clicks, ensuring long-term reliability.
- Wireless connectivity: Bluetooth technology enables connection from up to 10 meters away, eliminating the need for a USB receiver.
- Ergonomic design: Specifically designed for right-handed users, offering enhanced comfort even during extended use.
- Battery powered: Powered by a single AA alkaline battery, so you don't need to worry about frequent recharging.
- Compatibility: Works with both PCs and Macs, as well as some tablets and other Bluetooth-enabled devices, providing versatility and easy setup across multiple devices.

Why Choose ACUTEK?

ACUTEK delivers affordable, high-quality products that are perfect for both home and office environments. Focused on durability and ease of use, their products are an excellent choice for anyone looking for reliable and cost-effective solutions for everyday work.

The ACUTEK Wireless Bluetooth Mouse offers a simple yet effective solution for office tasks. With its convenient features and wireless design, this mouse provides precise control and lasting comfort for all your tasks, whether you're working on documents, designing, or browsing the web.
