

Aegis Shockproof MagSafe Phone Case (MIL-STD-810H Certified) iPhone 7/8/SE (2020)/SE (2022) Black

Data sheet

Summary

- ✓ **1.2m Drop Protection (MIL-STD-810H Certified):** Independently tested to military standards and proven to withstand repeated drops from 1.2 meters without damage.
- ✓ **MagSafe Compatibility:** Fully supports MagSafe technology, making it easy to use with MagSafe accessories such as chargers and wallets.
- ✓ **Double Layer Design:** A combination of durable polycarbonate on the outside and soft TPU on the inside protects your phone from everyday impacts and wear.
- ✓ **Raised Edges for Extra Protection:** A 0.3mm raised edge around the camera and a 0.2mm edge around the screen offer added protection to sensitive areas.
- ✓ **Elegant and Thin Design:** Strong protection without bulk – the case maintains the sleek and stylish look of your device.

Product description

Cirafon Aegis Mobile Case – Black

Protect your phone with the Cirafon Aegis phone case – a perfect combination of style and security. This premium case offers reliable protection with its unique design, which includes both a hard polycarbonate shell and a soft TPU inner shell. With Cirafon Aegis, you get a sleek solution that effectively protects your device without compromising on appearance or functionality.

Key Features

- 1.2m Drop Protection (MIL-STD-810H Certified): Independently tested to military standards and proven to withstand repeated drops from 1.2 meters without damage.
- MagSafe Compatibility: Fully supports MagSafe technology, making it easy to use with MagSafe accessories such as chargers and wallets.
- Double Layer Design: A combination of durable polycarbonate on the outside and soft TPU on the inside protects your phone from everyday impacts and wear.
- Raised Edges for Extra Protection: A 0.3mm raised edge around the camera and a 0.2mm edge around the screen offer added protection to sensitive areas.
- Elegant and Thin Design: Strong protection without bulk – the case maintains the sleek and stylish look of your device.

Tested to Military Standards

The Cirafon Aegis case is certified to MIL-STD-810H. In a drop test conducted by SGS following Method 516.8 (Procedure IV), the case successfully withstood 10 drops from 1.2 meters on different sides and corners with no visible damage to the case or phone. This confirms its superior durability and shock resistance, even under demanding conditions.
