Product description

Voxicon Wireless Mouse Prime EX3 – Unlock your potential

Developed to help you explore your full potential, Voxicon Prime provides the essential tools that make you both more creative in your work and more efficient in your day-to-day tasks. With its sleek design and outstanding features, Voxicon Prime is perfectly suited for modern working life.

Precision and performance for the workday

Voxicon Prime EX3 is designed with business users in mind and delivers a smooth user experience that enhances your workflow. The optical sensor with up to 4000 DPI and adaptive tracking ensures high precision across different surfaces, making it ideal for both detail-focused tasks and efficient navigation on high-resolution displays.

Ergonomics meets innovation

The ergonomic right-handed design reduces strain during long working sessions. The mouse features six intuitive buttons, including DPI adjustment and forward/back navigation buttons, improving productivity and workflow. Silent click technology creates a smooth and focused working environment.

Wireless freedom and easy charging

With a combination of RF and Bluetooth connectivity, the mouse can be paired with multiple devices at once, making it perfect for modern office setups. The rechargeable lithium battery delivers up to two months of battery life and charges quickly via USB-C, ensuring you're always ready to work.

Sleek design with RGB lighting

The monochrome black design is complemented by adjustable RGB lighting with 16 different lighting effects, making the mouse an elegant addition to any desk. Despite its professional appearance, it also serves as a visual highlight.
