## CIRAFON TPU Case for iPad 7th-9th Generation (2019-2021) 10.2" Black

Protect your iPad 7th, 8th or 9th generation (2019-2021) with Cirafon's high-quality TPU case. This stylish and functional case is designed to fit perfectly and provide optimal protection for your device.

### Product description

### Compatibility

Tailored for iPad 7th, 8th and 9th generation (2019-2021) with a 10.2" screen.

### Full coverage protection

Made from durable TPU and PU materials that are both thin and lightweight, providing superior protection against scratches, bumps, and dirt. Enjoy a comfortable feel and premium finish with every use.

### Smart Auto Wake/Sleep function

The built-in magnetic strip on the front of the case automatically wakes your iPad when the lid is opened and puts it to sleep when closed, extending battery life and making your device ready when you need it.

### Perfect fit

Careful cutouts provide easy access to all buttons and features, including the camera, speakers, sensors, and charging ports—without removing the case.

### Adjustable angles

The non-slip material and integrated stand feature allow you to position your iPad stably at two different angles, perfect for writing, reading, or watching videos.

### Complete your protection

For full security and a crystal-clear screen surface, we recommend the Cirafon Ultra Wide Case Friendly Display Protector.

### Stylish protection for your iPad

Combining sophisticated design with practical function, CIRAFON TPU cases are an indispensable accessory to keep your iPad safe while enhancing your user experience.
