- ✓ Straight 3.5mm male to female keeps headsets and speakers connected
- ✓ Gold-plated contacts improve signal and reduce corrosion over time
- ✓ Durable black cable fits professional AV setups and hides wear

Product description

Why choose this audio extension cable?

Prokord Audio 3.5mm Male - 3.5mm Female 5.0m helps you extend 3.5mm audio connections by 5 meters, so you can position devices and speakers where they work best without moving furniture. The straight 3.5mm connectors with gold-plated contacts provide a reliable, low-maintenance connection and simple plug-and-play use.

Audio 3.5mm Male - 3.5mm Female 5.0m in short:

- 5 m extension for flexible placement of audio sources and listening devices.
- Gold-plated male and female contacts for improved corrosion resistance and consistent connection.
- Straight 3.5mm plugs, suitable for headphones, portable players, car aux inputs, and speaker systems.
- Black cable and compact connectors for discreet routing in offices, meeting rooms, or home setups.
- Note that this is a passive extension cable and does not amplify the audio signal.

Audio 3.5mm Male - 3.5mm Female 5.0m

The Prokord Audio 3.5mm Male - 3.5mm Female 5.0m is a simple, practical accessory that joins a 3.5mm male plug to a 3.5mm female socket. It extends reach for hard-to-access ports, adds flexibility to conference or AV setups, and keeps connections tidy thanks to its black jacket and straight connector form.
