

Privacy Filter 16" 16:9 for Laptop – Screen Privacy Shield and Protection16" 16:9

Data sheet

Summary

- ✓ Keeps screen content visible only to the person directly in front, useful on trains, in open offices, and public spaces.
- ✓ Anti-reflective, anti-glare, and anti-blue coatings reduce eye strain and improve visibility in bright environments.
- ✓ Frameless design preserves the laptop's look and supports touchscreens without degrading touch responsiveness.
- ✓ Simple adhesive strip plus slide mount tab system for secure fitting and easy removal when you need it.
- ✓ Designed for a standard 16:9 16-inch LCD screen, check your visible screen area (354 x 199 mm) to confirm fit.

Product description

Why choose this laptop privacy filter?

Cirafon DFA16-9 helps keep on-screen data private and protects your 16:9 laptop display from scratches and reflections. The frameless filter narrows side viewing to 60 degrees, reduces blue light and glare, and is easy to apply and remove. It suits shared workspaces and travel where you need both privacy and more comfortable screen viewing.

Privacy Filter 16" 16:9 for Laptop – Screen Privacy Shield and Protection in short:

- Keeps screen content visible only to the person directly in front, useful on trains, in open offices, and public spaces.
- Anti-reflective, anti-glare, and anti-blue coatings reduce eye strain and improve visibility in bright environments.
- Frameless design preserves the laptop’s look and supports touchscreens without degrading touch responsiveness.
- Simple adhesive strip plus slide mount tab system for secure fitting and easy removal when you need it.
- Designed for a standard 16:9 16-inch LCD screen, check your visible screen area (354 x 199 mm) to confirm fit.

Product details

The Cirafon DFA16-9 is a frameless privacy filter sized for standard 16-inch, 16:9 laptop displays. It limits off-angle viewing to about 60 degrees so only users directly in front see the screen. Coatings provide anti-reflective, anti-glare, and blue light reduction while maintaining image clarity and touchscreen responsiveness. You attach it with adhesive strips and slide-mount tabs for a secure fit and easy removal. The filter is CE and REACH compliant.
