Product description

Prokord USB-C Hub 4-Port – Compact & Powerful for Business Use

In today’s flexible work environment, reliable connectivity is essential—whether you're at the office, working from home, or on the move. The Prokord USB-C Hub 4-Port offers a smart and dependable way to expand your computer’s capabilities with four additional USB-C ports.

Designed with mobility and stability in mind, this hub allows you to connect multiple accessories at once—without hassle. It's ideal for businesses that want to equip employees with efficient, portable tools wherever they work.

Key Benefits for Business:

- Four USB-C ports – connect accessories quickly and easily
- Plug & Play – no drivers, no setup
- Compact and durable – easy to carry, built for daily use
- Professional design – fits well in meeting rooms and modern offices

Compatibility:

- Works with all computers and devices with USB-C
- Supports Windows, macOS, and other common operating systems

Prokord – technology that simplifies your workday.
