

Silicone CaseiPhone 16 Black

Data sheet

Summary

- ✓ Soft-touch silicone shell that absorbs daily shocks and resists scratches, while remaining pocket-friendly
- ✓ Raised camera rim to protect lenses and preserve flash performance
- ✓ Precise cutouts and tactile button covers for full access to ports and controls, designed for iPhone 16
- ✓ Monochromatic dark matte finish that hides smudges and reduces glare
- ✓ Single-pack shell, easy to fit and remove

Product description

Why choose this silicone case?

Cirafon Silicone Case combines a slim, soft-touch silicone shell with a low-profile design that protects against everyday bumps and scratches. The textured surface improves grip and reduces fingerprints, while the raised camera rim helps shield lenses. It keeps the phone's shape and is compatible with iPhone 16.

Cirafon Silicone Case in short:

- Soft-touch silicone shell that absorbs daily shocks and resists scratches, while remaining pocket-friendly
- Raised camera rim to protect lenses and preserve flash performance
- Precise cutouts and tactile button covers for full access to ports and controls, designed for iPhone 16
- Monochromatic dark matte finish that hides smudges and reduces glare
- Single-pack shell, easy to fit and remove

Product details

The case is a flexible shell that snaps onto the back and sides, providing full coverage without adding bulk. Its precise molding keeps buttons responsive and ports accessible, while the matte surface offers a discreet, uniform look. Compatible with iPhone 16.
