

Webcam 2K PRO 2

Data sheet

Summary

- ✓ Impressive 2K resolution: Capture detailed and professional images that make you stand out in any lighting conditions.
- ✓ Built-in bi-directional microphone: Two built-in microphones provide natural and clear sound, while minimizing background noise.
- ✓ Plug and Play feature: Quick and easy installation without the need for drivers – just plug in and start using.
- ✓ Privacy protection: A handy integrated lens cover for extra security when the camera is not in use.
- ✓ Flexible mounting: Compatible with both laptops and external monitors thanks to its handy clamp, with a standard tripod mount thread.

Product description

Voxicon Webcam 2K PRO 2 - Premium Webcam for Clear and Professional Video Calls

With Voxicon Webcam 2K PRO 2, you can enhance the quality of your digital meetings and video calls. The camera delivers crisp and clear images in 2K resolution (2560x1440), making it ideal for both formal work meetings and private calls. Whether you're using Teams, Zoom, or Skype, your video meetings will have an extra level of clarity and quality.

Benefits and Features

- Impressive 2K resolution: Capture detailed and professional images that make you stand out in any lighting conditions.
- Built-in bi-directional microphone: Two built-in microphones provide natural and clear sound, while minimizing background noise.
- Plug and Play feature: Quick and easy installation without the need for drivers – just plug in and start using.
- Privacy protection: A handy integrated lens cover for extra security when the camera is not in use.
- Flexible mounting: Compatible with both laptops and external monitors thanks to its handy clamp, with a standard tripod mount thread.

Professional Image Quality and Ease of Use

This webcam is built to perform. With autofocus and auto-exposure, the image is adjusted to provide the best possible sharpness and light, even in less than ideal lighting conditions. The camera's wide 76° field of view covers all of you, without distorting the image. Support for modern video codecs such as H.264 also enables the camera to deliver smooth, high-resolution video streams at up to 30 frames per second.

Convenient and Secure Design

The Voxicon Webcam 2K PRO 2 is not only powerful but also user-friendly. The Plug and Play USB connection means the camera is ready to use in seconds. The handy privacy shield over the lens provides extra peace of mind, so you can be sure that no one will see you when the camera is not in use. With its sleek black design, robust acrylic lens, and convenient 1.6-meter cable, it's also both stylish and practical.

The Voxicon Webcam 2K PRO 2 is the perfect webcam solution for anyone looking to enhance their video calls with easy setup, high image quality, and secure operation.
