- ✓ Consideration: intended for indoor use and mobile phone charging only.

Product description

Why choose this wall charger?

Cirafon Wall Charger 1xUSB 230V 5V 2.4A Black provides reliable fast charging for mobile phones, with Quick Charge 3.0 support and a constant 5V, 2.4A USB output. The compact two-pin plug fits standard 230 V indoor sockets, making it practical for desks, meeting rooms, and travel within European outlets.

Wall Charger 1xUSB 230V 5V 2.4A Black in short:

- Quick Charge 3.0 support for faster charging on compatible mobile phones.
- Single USB-A (USB 2.0) port, ideal for charging one device at a time.
- Compact, lightweight two-pin plug designed for 230 V indoor sockets.
- Stable 2.4A output and 12W power for consistent everyday charging.
- Consideration: intended for indoor use and mobile phone charging only.

Product details

This Cirafon wall charger offers a straightforward way to power mobile phones from AC mains. Quick Charge 3.0 accelerates charging for compatible devices, while other phones receive a steady 5V, 2.4A supply. The compact housing and fixed two-pin plug suit office desks, hotel rooms, and short business trips, and the single USB-A port keeps the charger simple to use and store.
