- ✓ Compact white design that blends into home and office environments and fits European two-pin outlets.
- ✓ Consider a multi-port charger if you need to charge several devices simultaneously.

Product description

Why choose this wall charger?

Cirafon Wall Charger 20W USB-C White delivers fast, efficient charging for phones and tablets with USB Power Delivery up to 20W. Its compact white housing and single USB-C port make it easy to carry and use at home or in the office. Use it indoors with a European two-pin outlet.

Cirafon Wall Charger 20W USB-C White in short:

- 20W USB Power Delivery for faster charging compared with standard chargers.
- Single USB-C port, suitable for one device at a time.
- Universal compatibility with most USB-C phones and tablets, including iPad models.
- Compact white design that blends into home and office environments and fits European two-pin outlets.
- Consider a multi-port charger if you need to charge several devices simultaneously.

Product details

Cirafon Wall Charger 20W USB-C White provides a single 20W USB-C output using USB Power Delivery. Plug it into an indoor outlet to charge a smartphone or tablet faster than lower-power chargers. The charger's compact form and white finish make it unobtrusive on a desk or nightstand. It is designed for universal USB-C compatibility, while supporting only one connected device at a time.
