- ✓ 20W USB Power Delivery for faster charging of phones and USB-C accessories.
- ✓ Single USB-C port, charges one device at a time.
- ✓ Universal compatibility, works with most USB-C devices that support PD.
- ✓ Compact white design with two-pin European plug, suited for indoor use.
- ✓ Consideration: intended for USB power needs up to 20W, not for high-power laptops.

Product description

Why choose this wall charger?

Cirafon Wall Charger 20W USB-C White provides reliable, fast charging for phones and small devices. It uses USB Power Delivery to shorten charge times, supports universal device compatibility, and fits standard two-pin European outlets for indoor use. Its compact white housing keeps desks and meeting rooms tidy and reduces the need for multiple chargers.

Wall Charger 20w Usb C White in short:

- 20W USB Power Delivery for faster charging of phones and USB-C accessories.
- Single USB-C port, charges one device at a time.
- Universal compatibility, works with most USB-C devices that support PD.
- Compact white design with two-pin European plug, suited for indoor use.
- Consideration: intended for USB power needs up to 20W, not for high-power laptops.

Product details

Cirafon Wall Charger 20W USB-C White delivers up to 20 watts through a single USB-C port, so you can top up phones, earbuds, and small tablets quickly. It supports USB Power Delivery for faster, more efficient charging and is built for indoor use with a two-pin European plug. The compact, rounded housing is easy to carry and keeps shared spaces neat, making it practical for desks, meeting rooms, and travel where standard European outlets are used.
