Product description

Prokord Wallmount Heavy-Duty Tilt 37"-86" 75KG

The Prokord Wallmount Heavy-Duty Tilt is the perfect choice for those looking for a robust and flexible wall mount for their TV. With its impressive weight capacity and great compatibility, it offers both security and functionality for TVs between 37 and 86 inches.

Stable and Flexible Design

The mount has a maximum weight capacity of 75 kg and supports VESA patterns up to 600x400 mm, making it compatible with a wide variety of TV models and brands. The tiltable feature allows you to adjust the screen for an optimal viewing angle, reducing reflections and providing a comfortable viewing experience.

Fits Even Larger TVs

Although the mount is specified for TVs between 37 and 86 inches, in some cases it can also be used for even larger models. This applies if the weight of the TV does not exceed 75 kg and the VESA pattern is within 600x400 mm. Check your TV's manual for exact dimensions and weight before installation.

Contents of the Package

The package includes screws and spacers to facilitate installation:

- Screws: M6x14, M8x16, M6x30, M8x35
- Spacers: Three different sizes to fit different TV models

Please note that these screws may not fit all TVs. In some cases, you may need to supplement with additional screws. For full compatibility, Prokord Standard Screw Kit is recommended, which contains a wide range of screws and accessories.

Specifications

- VESA Compatibility: Up to 600x400 mm
- Maximum Weight: 75 kg
- Tilt Function: Adjustable for optimal viewing angle
- Compatibility: Fits TVs from 37" to 86"

Summary

The Prokord Wallmount Heavy-Duty Tilt is a wall mount built to withstand the toughest demands. With its high weight capacity, tiltable design, and easy installation, it offers both flexibility and security for your TV. Perfectly suited for both smaller and larger TVs up to 86 inches, and in some cases even larger models.

Secure your installation today with Prokord – safety and quality for your home.
