

Adjustable Wall Mount 55-75 inches - Height Adjustable and Stable

Data sheet

Summary

- ✓ Height adjustment: With a smooth mechanism, the screen can be adjusted up to 400 mm, ensuring an optimal viewing height for all applications.
- ✓ Sturdy and secure design: The heavy-duty steel and construction allow the wall mount to withstand weights up to 65 kg without compromising on stability. Perfect for large and heavy screens.
- ✓ Wide compatibility: Supports multiple VESA patterns, from 200x200 mm to 600x600 mm, making it adaptable to a wide range of TV models and brands.
- ✓ Slim profile: The wall mount is only 96 mm deep, giving it a sleek and discreet look.
- ✓ Durable finish: The powder-coated finish protects against scratches and ensures the wall mount maintains its aesthetic over time.

Product description

Product Description for Prokord Adjustable Wall Mount 55-75 inches - Height Adjustable and Stable

The Prokord Adjustable Wall Mount 55-75" is a flexible and sturdy mounting solution designed for TVs and interactive displays in the 55-75" size range. This height adjustable model is perfect for both home and professional environments such as conference rooms and training rooms.

Features

- Height adjustment: With a smooth mechanism, the screen can be adjusted up to 400 mm, ensuring an optimal viewing height for all applications.
- Sturdy and secure design: The heavy-duty steel and construction allow the wall mount to withstand weights up to 65 kg without compromising on stability. Perfect for large and heavy screens.
- Wide compatibility: Supports multiple VESA patterns, from 200x200 mm to 600x600 mm, making it adaptable to a wide range of TV models and brands.
- Slim profile: The wall mount is only 96 mm deep, giving it a sleek and discreet look.
- Durable finish: The powder-coated finish protects against scratches and ensures the wall mount maintains its aesthetic over time.

Contents of the package

The package includes screws and spacers to facilitate installation:

- Screws: M6x14, M8x16, M6x30, M8x35
- Spacers: Three different sizes to fit different TV models

Please note that these screws may not fit all TVs. In some cases, you may need to supplement with additional screws. For full compatibility, the Prokord Standard Screw Kit is recommended, which includes a wide variety of screws and accessories.
