Product description

Efficient and eco-friendly labels for smooth logistics

Optimize your labeling and organization with Gilford Labels DT ECO 1000D. These direct thermal labels are the perfect choice for businesses that need clear, reliable printing without the need for ribbon. With an eco-friendly design and a handy pack of 12 rolls, they are ideal for stock management, shipping, and logistics.

Eco-friendly quality equivalent to Z-Select 1000D

Gilford Labels DT ECO 1000D offers the same high standard as Z-Select 1000D, delivering crisp prints with sustainable quality. The direct thermal printing technology eliminates the need for toner or ink, making them both a cost-effective and environmentally conscious option.

Suitable for desktop printers

With a 25mm sleeve, these labels are compatible with desktop printers, such as the Zebra GK series, ensuring a smooth and efficient printing process.

Reliable labels for professional use

Whether you need labels for branding, inventory management, or logistics, the Gilford Labels DT ECO 1000D provides consistent and professional print quality. The self-adhesive labels stick securely to packaging, boxes, and shelves, making them a versatile tool in your business.

Practical and economical packaging

The 12 rolls pack means you'll always have labels on hand, reducing the need for frequent purchases and making stock management easier.

Choose Gilford Labels DT ECO 1000D 76x51mm 12-pack for a durable, cost-effective, and reliable solution for your printing needs.
