Product description

GILFORD LABELS DT TOPCOATED 2000D 12-PACK

Efficient labels for professional logistics and organization

Optimize your everyday shipping and organization with Gilford Labels DT Topcoated 2000D. These high-quality, self-adhesive labels offer durable and clear printing, making them an ideal choice for small businesses and larger operations alike. With a handy pack of 12 rolls, these labels are designed to meet the needs of professional users who value reliability and precision.

Matching the quality of Z-Select 2000D

Gilford Labels DT Topcoated 2000D delivers the same high quality and performance as the renowned Z-Select 2000D. This means you can expect the same excellent durability and sharpness of prints, while providing a cost-effective solution. With Gilford Labels, you can be confident that your labels will be of the same standard as the market-leading alternatives.

High performance with thermal technology

Gilford labels are top-coated, which means they are specially treated to resist moisture, stains, and fading. This ensures your labels stay legible and professional even in tough conditions. Direct Thermal technology eliminates the need for ink or toner, providing a cost-effective solution without compromising on print quality.

Versatility and compatibility

Whether you're working with inventory management, mail handling, or deliveries, these labels work seamlessly with most thermal printers on the market. Their reliable adhesion ensures they stay firmly attached to envelopes, parcels, or storage containers, making them a flexible tool in your business.

Practical and economical packaging

With 12 rolls per pack, you get an optimal amount of labels that lasts a long time, without overloading your warehouses. The convenient roll packaging makes it easy to change labels and ensures your workflow is not interrupted.

Professional impression every time

Gilford Labels deliver not only function, but also aesthetics. The crisp and clean prints contribute to a professional impression that reinforces your brand's credibility and quality. Perfect for giving your customers a first-class experience from start to finish.

Choose Gilford Labels DT Topcoated 2000D 12-pack to simplify your workday and ensure your printing is always of the highest standard - a quality choice that matches Z-Select 2000D.
