Summary

- ✓ Reusable suction cup: Equipped with glue injection technology for strong and long-lasting grip. The suction cup can be reused several times without losing its function.
- ✓ Pressure valve for extra stability: Secures the holder even under high load.
- ✓ High weight capacity: Can handle a weight of 40-60 pounds (approx. 18-27 kg).
- ✓ Temperature resistant: Designed to operate in extreme temperatures from -20°C to +95°C.
- ✓ Adjustable position: Easily switch between landscape and portrait mode for optimal viewing.
- ✓ Rotatable head: Adjust the angle for the best view and comfortable use.

Product description

Cirafon Magnetic Mobile Holder with Quick Release for Tesla

Looking for a flexible and secure solution to keep your phone or other devices in place during your car journey? The Cirafon Magnetic Phone Holder with Quick Release for Tesla is the perfect choice for those who want a stable and reliable holder adapted for Tesla cars and other vehicles with large screens.

The clever design makes it easy to attach the holder to the car's panel or the back of the screen, providing a comfortable and safe use while driving. An adjustable head lets you customize the viewing angle for optimal visibility - whether you're using GPS, listening to music, or taking calls.

Compatible with Magnetic Car Holder

For even better functionality, combine with the Magnetic Car Holder. The strong magnet holds your device firmly in place and makes it easy to switch between landscape and portrait mode. Perfect for a smooth and customizable driving experience.

Main Features

- Reusable suction cup: Equipped with glue injection technology for strong and long-lasting grip. The suction cup can be reused several times without losing its function.
- Pressure valve for extra stability: Secures the holder even under high load.
- High weight capacity: Can handle a weight of 40-60 pounds (approx. 18-27 kg).
- Temperature resistant: Designed to operate in extreme temperatures from -20°C to +95°C.
- Adjustable position: Easily switch between landscape and portrait mode for optimal viewing.
- Rotatable head: Adjust the angle for the best view and comfortable use.

Why Choose the Cirafon Magnetic Mobile Holder with Quick Release Bracket for Tesla?

- Universal compatibility: Fits both regular car panels and large screens like in Tesla cars.
- Sustainable and eco-friendly: The suction cup can be reused without leaving marks.
- Easy to use: Simple installation and removal for maximum convenience.
- Enhance the driving experience: Combine with the Cirafon Magnetic Mobile Holder for a fully customizable and secure installation.

Make your next road trip easier and safer with the Cirafon Magnetic Mobile Holder for Tesla. Experience stability, flexibility, and quality that makes a difference - every time you drive.
