

Heavy-Duty wallmount

Data sheet

Summary

- ✓ Robust and durable construction: Made of high-strength steel, ensuring the wall mount can support a load of up to 50 kg, making it suitable for both small and large TVs.
- ✓ Automatic locking mechanism: A click-in feature with a spring-loaded lock allows your TV to be easily snapped into place and held securely, without the risk of accidents.
- ✓ Adjustable side brackets: Smooth lateral adjustment allows perfect centering of the TV, even after installation. This is ideal for adapting the position to the room or furniture.
- ✓ Slim profile: With only 28mm from the wall, the installation is stylish and discreet, highlighting your TV rather than the mounting bracket itself.
- ✓ Built-in level: Integrated into the design to ensure a straight and hassle-free installation – a convenient tool that simplifies mounting.

Product description

Prokord Heavy-Duty Wall Bracket Fixed 37-70"

With the Prokord Heavy-Duty Wall Mount Fixed 37-70" you get a reliable and robust wall mount that combines functionality and aesthetics to provide your TV with secure mounting and an elegant placement on the wall. This high-quality solution is designed for both flat and curved screens and is compatible with a wide range of TV models in sizes from 37 to 70 inches. Thanks to its durable construction and smart design, it is easy to achieve a professional installation, making it perfect for both home and office environments.

Features that stand out from the crowd:

- Robust and durable construction: Made of high-strength steel, ensuring the wall mount can support a load of up to 50 kg, making it suitable for both small and large TVs.
- Automatic locking mechanism: A click-in feature with a spring-loaded lock allows your TV to be easily snapped into place and held securely, without the risk of accidents.
- Adjustable side brackets: Smooth lateral adjustment allows perfect centering of the TV, even after installation. This is ideal for adapting the position to the room or furniture.
- Slim profile: With only 28mm from the wall, the installation is stylish and discreet, highlighting your TV rather than the mounting bracket itself.
- Built-in level: Integrated into the design to ensure a straight and hassle-free installation – a convenient tool that simplifies mounting.

Perfect customizability:

- Fits screens from 37-70 inches, making the mount suitable for most modern TVs.
- Compatible with VESA standards: 200x200, 300x300, 400x200, 400x400.
- Designed for easy installation on both solid walls and double posts (406mm/450mm distance between posts).

Technical information:

- Materials: Durable cold-rolled steel with a powder-coated finish to protect against wear and corrosion.
- Dimensions: 28 x 504 x 435 mm.
- Weight capacity: Up to 50 kg, suitable for larger and heavier TVs.
- Profile: Slim wall mount with a discreet depth installation of just 28mm from the wall.
- Installation: Fixed wall mount without tilt function, offering a stable and secure fixture.

What you get in the package:

- Prokord Heavy-Duty Wall Bracket.
- A complete set of fasteners and components for easy assembly.
- Built-in level to ensure your installation is straight and precise.
- A detailed installation manual to guide you through each step of the process.

Please note:

The supplied screws may not fit all TV models. In some cases, you may need to supplement with additional screws. For full compatibility, Prokord Standard Screw Kit is recommended, as it includes a wide range of screws and accessories.

Why choose the Prokord Heavy-Duty Wall Bracket?

Prokord offers an intelligent and affordable solution for anyone looking to create a stylish and stable wall-mounted TV setup. With features such as an automatic locking mechanism and adjustable brackets, it ensures a secure and easy installation. Additionally, the wall mount's slim profile and matte black finish make it a stylish part of your room while keeping the focus on your TV.

Transform your living room or office with a professionally mounted TV that saves space and adds a modern, sophisticated touch. Invest in the Prokord Heavy-Duty Wall Mount Fixed 37-70" today and experience the difference!
