

Adjustable & Collapsible Laptop Stand

Data sheet

Product description

Prokord Adjustable & Collapsible Laptop Stand – Ergonomic and Portable

Improve your work posture and reduce neck and back strain with the Prokord Adjustable & Collapsible Laptop Stand. This premium laptop stand features eight height positions, a lightweight and durable aluminum and silicone construction, and a collapsible design that makes it easy to take anywhere. Perfect for both home office and travel!

Features and Benefits

• Adjustable in 8 levels – Adjust the height for optimal ergonomics. • Foldable & Portable – Easy to fold and take in your bag. • Stable & Robust – Withstands a load of up to 5 kg (11 lbs). • Premium Quality – Made of aluminum, plastic, and silicone with an elegant anodized finish. • Universal Compatibility – Fits all laptops, regardless of brand and size. • Silicone Coating – Protects your laptop from scratches and keeps it stable.

Maximum Comfort – Everywhere

With the Prokord Adjustable & Foldable Laptop Stand, you can easily raise your laptop to eye level for a better working position. Thanks to its lightweight and compact design (56×261×25 mm), it's perfect for the office, café, and travel.

Complement Your Ergonomic Workspace
