

Height Adjustable Trolley for Screens 75-100"

Data sheet

Summary

- ✓ Easy height adjustment: Adjust the screen height with a light touch to customize the viewing angle.
- ✓ Sturdy and robust construction: Supports screens up to 90 kg, providing a safe and stable solution.
- ✓ Versatile VESA compatibility: Supports multiple VESA patterns, up to 800x600 mm, making it compatible with a wide range of TV models.
- ✓ High mobility: Equipped with sturdy wheels for easy movement and flexible use.
- ✓ Durable and resistant surface: Powder-coated finish that protects against scratches and ensures long-term durability.

Product description

Prokord Height Adjustable Trolley for Screens 75-100" - Stable and Versatile

The Prokord Height Adjustable Monitor Cart 75-100" is the perfect solution for large interactive displays in professional environments. Its robust design supports screens from 75" to 100" in size, with a weight capacity of up to 90 kg, making it ideal for use in schools, conference rooms, trade shows, and other public environments.

The trolley features an innovative height adjustment system that allows easy modification of the screen height to ensure the best viewing angle. With a simple push, the height can be adjusted up to 400 mm, offering flexibility to suit various needs. The heavy-duty steel construction and durable wheels make it easy to move between rooms, while ensuring a reliable and safe solution for large screens.

Features:

- Easy height adjustment: Adjust the screen height with a light touch to customize the viewing angle.
- Sturdy and robust construction: Supports screens up to 90 kg, providing a safe and stable solution.
- Versatile VESA compatibility: Supports multiple VESA patterns, up to 800x600 mm, making it compatible with a wide range of TV models.
- High mobility: Equipped with sturdy wheels for easy movement and flexible use.
- Durable and resistant surface: Powder-coated finish that protects against scratches and ensures long-term durability.

Specifications:

- Compatible screen sizes: 75"-100"
- Weight capacity: Up to 90 kg
- Height adjustment: Up to 400 mm to adjust the viewing height
- VESA compatibility: 200x200 to 800x600 mm
- Material: Steel and aluminum
- Color: Matte black
