Product description

Voxicon VX-U220 DUO USB-C Headset with Noise-Cancelling Microphone for Teams

Professional USB Headset for Business – Clear Audio for Every Call

The Voxicon VX-U220 DUO USB-C Headset with noise-cancelling microphone for Teams is a reliable, comfortable, and high-performance headset designed for the modern workplace. Whether you're working from home, in an open-plan office, or in a call center, this headset delivers exceptional sound quality and all-day comfort. It is fully compatible with Microsoft Teams, making it an excellent choice for businesses focused on seamless, professional communication.

Crystal Clear Audio with Noise-Cancelling Microphone

Equipped with a 30 mm speaker unit and a wide frequency range (20–20000 Hz), the VX-U220 DUO provides excellent audio quality for both speech and multimedia. The uni-directional noise-cancelling microphone effectively reduces background noise – ideal for professional calls in busy environments. The microphone boom can rotate up to 300° for optimal positioning and clear communication.

Ergonomic Design for All-Day Comfort

Weighing just 98.7 grams, and with a comfortable over-the-head binaural design, the VX-U220 DUO offers a stable and secure fit for long hours of use. Its sturdy ABS construction, soft foam ear cushions, and flexible microphone boom ensure durability and comfort throughout the workday.

Modern USB-C Connection with Adapter Included

The headset features a USB-C connector for fast and stable connectivity to modern laptops and devices. To maximize compatibility, a USB-C to USB-A adapter is included – allowing easy use with both newer and older computers. The in-line control unit on the cable gives you quick access to volume adjustment and microphone mute.

5 Key Selling Points – Voxicon VX-U220 DUO USB-C Headset

- ? Teams compatible: Optimized for Microsoft Teams meetings and calls.
- ? USB-C with adapter: Connects easily to both modern and legacy devices.
