- ✓ Complete package – tabletop and frame included

Product description

PROKORD Ergonomic Electric Sit-Stand Desk 120×60 cm – White

Compact electric desk with sleek design and ergonomic function

Space-saving design for modern workspaces This white electric desk from PROKORD is an ideal choice for offices and home offices where both space and ergonomics matter. With a 120 × 60 cm tabletop, it offers a functional work area that fits well even in smaller rooms. The clean white finish adds a sleek touch to any interior – from creative studios to minimalist offices.

Smooth height adjustment with quiet motor Height is easily adjusted via the button-controlled panel, offering stepless movement from 730 to 1210 mm. The built-in motor runs quietly and smoothly, letting you switch between sitting and standing without disruption. A solid frame supports up to 70 kg and remains stable even at full height.

Reliable performance – ready to use Equipped with overheating protection, movement reminder, and leveling feet, this desk is delivered as a complete package – including the white tabletop and pre-assembled frame – so you can get started right away.

Features:

- Electric height adjustment via control panel
- Smooth and quiet motor operation
- Overheat and overload protection
- Time reminder for changing posture
- Adjustable feet for uneven floors
- Complete package – tabletop and frame included
