Product description

Voxicon Prime Kit – Wireless keyboard and mouse for PC and Mac

Voxicon Prime Kit is a complete and cost-effective combination of two high-performance products from the Voxicon Prime range: Voxicon Prime Keyboard PX1 BT and Voxicon Wireless Mouse Prime GR950 Pro. The kit is bundled in our warehouse and shipped together at a more attractive price – ideal for anyone looking for a modern, sleek and responsive setup for both work and leisure.

With a premium feel, wireless freedom and smart features, this kit fits just as well in the home office as it does in the workplace – while also offering performance for more demanding use.

What's included in the kit

- Voxicon Prime Keyboard PX1 BT (wireless keyboard)
- Voxicon Wireless Mouse Prime GR950 Pro (wireless mouse with charging dock)

Voxicon Prime Keyboard PX1 BT – Wireless keyboard with premium design

Voxicon Prime Keyboard PX1 BT is a sleek, slim keyboard designed to make the workday smoother and more efficient. It is a full-size keyboard with a numeric keypad and a premium aluminium finish. Low-profile, shaped keys provide a comfortable and accurate typing experience.

The keyboard connects via Bluetooth and supports multi-point pairing, allowing you to connect up to three devices at once and switch between them with a single button press – ideal for modern workflows.

Key features:

- Compatible with PC and Mac
- Wireless Bluetooth connectivity
- Multi-point: connect up to three devices simultaneously
- RGB backlight
- Rechargeable battery with long runtime (USB-C charging)

Voxicon Wireless Mouse Prime GR950 Pro – Light, fast and precise

Voxicon Wireless Mouse Prime GR950 Pro is a modern mouse that combines sleek design with high performance. With a weight of only 63 g, it delivers an exceptionally light and responsive experience – suitable for office work as well as more demanding tasks.

The mouse connects wirelessly via 2.4G RF technology to deliver low latency and reliable performance. Its advanced optical sensor features adjustable sensitivity from 50 to 12,000 DPI, providing excellent control and precision for any task.

- Wireless 2.4G RF connection for low latency
- Optical sensor with 50–12,000 DPI
- Optimised for fast response and high precision
- Ergonomic right-handed shape

- 6 buttons including DPI switch and programmable functions
- Li-polymer battery (400 mAh) with charging dock
- Can be used and charged via USB-C for uninterrupted performance

Summary

Voxicon Prime Kit is a complete and professional solution for anyone looking for a modern wireless keyboard and a high-performance mouse in a matching kit. Ideal for workdays where comfort and efficiency matter – with performance that also suits more intensive use.
