Product description

Prokord TV Wall Mount Full Motion Gas Spring VESA 400 – for 23–55 inch, max 30 kg

The Prokord TV wall mount with gas spring (model LDA24-442) is a flexible and stable full motion TV wall mount. It is compatible with flat and curved screens from 23"–55" and supports a maximum load of 30 kg. The robust steel and aluminum construction ensures a durable and reliable installation.

Flexible and adjustable wall mount

This Prokord TV wall mount allows you to adjust the screen to fit your viewing needs. With tilt from +5° to -15°, swivel of ±90°, and level adjustment of ±3°, it offers excellent positioning options. The gas spring balances the weight of the screen, making height adjustment effortless.

VESA compatibility up to 400x400

Prokord LDA24-442 supports common VESA standards from 75x75 mm up to 400x400 mm, making it suitable for a wide range of TV models. For a 55 inch TV with VESA 400, it is an excellent fit.

Integrated cable management

Built-in cable management keeps wires organized and hidden, creating a neat and professional installation. The matte black finish and decorative covers ensure a discreet appearance behind the screen.

Specifications
