

Cable Power 3-Pin3m CEE7/7 C5 Black

Data sheet

Summary

- ✓ Secure connection for devices with a C5 inlet, suitable for AV equipment, small UPS units, and workstations.
- ✓ 3 m length gives flexibility for equipment placement without rerouting power sources.
- ✓ Angled CEE7/7 (type F) plug keeps the cable close to walls and desks, improving cable management.
- ✓ Straight C5 coupler provides a snug fit and stable contact.
- ✓ Consider that it is intended for indoor use and only fits devices with a C5 inlet.

Product description

Why choose this power cable?

Prokord Cable Power 3-Pin is a durable 3 m black power cable that provides reliable power using an angled CEE7/7 plug and a straight C5 coupler. CE and RoHS certified, it supports safe indoor use and helps keep cables close to walls and desks for neater installations and reduced port strain.

Prokord Cable Power 3-Pin in short:

- Secure connection for devices with a C5 inlet, suitable for AV equipment, small UPS units, and workstations.
- 3 m length gives flexibility for equipment placement without rerouting power sources.
- Angled CEE7/7 (type F) plug keeps the cable close to walls and desks, improving cable management.
- Straight C5 coupler provides a snug fit and stable contact.
- Consider that it is intended for indoor use and only fits devices with a C5 inlet.

Product details

This Prokord cable combines an angled type F mains plug with a straight C5 connector to simplify connections where space is limited behind furniture or equipment racks. The black jacket blends into office and studio environments while the build reduces strain on ports. Compliance with CE and RoHS covers basic safety and material standards for indoor IT and AV setups.
