Product description

Cirafon Recycled PU Leather Wallet

Style, protection and durability – all in one case.

The Cirafon Recycled Wallet is a stylish case and wallet in one. The thin yet durable shell fits perfectly around your phone and provides effective protection against scratches, bumps, and everyday wear and tear. With space for three cards, the case also functions as a practical wallet. You have full access to all buttons, the microphone, speaker, charging port, and camera – without needing to remove your phone.

?? Sustainable & Made from Recycled Materials

The case is made from 80% recycled PU and 20% recycled polyester, certified according to the Global Recycled Standard (GRS). GRS ensures that recycled materials are used responsibly and traceably, with respect for both environmental and working conditions throughout the entire production chain.

With the Cirafon Recycled Wallet, you make a conscious choice – without compromising on style or functionality.

Cirafon – Quality & Care for Your Devices

Cirafon offers a wide range of accessories for mobile phones, tablets, and computers – including phone cases, chargers, screen protectors, privacy filters, and bags. Each product is carefully tested and selected to deliver a combination of durability, protection, and reliable performance for everyday use.
