## Prokord Robust TV Trolley with Wheels - For Screens up to 100"

Looking for a stable and flexible solution to mount and move your TV? Designed to fit large screens between 37"-100", the Prokord Robust TV Trolley with Wheels is the perfect solution for conference rooms, training environments, trade shows, and home theaters. With a sturdy steel construction and a powder-coated matte black finish, this TV trolley combines both durability and style.

### Main Features:

? Fits large screens (37"-100") – Supports a wide screen size for maximum compatibility. ? High load capacity – Handles a TV weight up to 150 kg (330 lbs) and shelf weight up to 20 kg (44 lbs). ? VESA compatibility – Supports VESA standards from 200x200 to 800x600 mm, making it compatible with most TV models. ? Raise and lower TV position – Adjust the height for optimal viewing angle. ? Easy to move design – With casters you can easily move the trolley between different rooms.

### Maximum Stability and Flexibility

This TV trolley has an impressive weight capacity of 150 kg (330 lbs), making it ideal for large and heavy screens. The adjustable TV height ensures a perfect viewing angle, whether you're using it in a conference room or for a presentation. The shelf, which has a capacity of 20 kg (44 lbs), provides space for extra equipment such as a laptop or media player.

### Easy to Move - Perfect for Dynamic Environments

Equipped with durable casters, the Prokord TV Cart is easy to roll between different rooms and surfaces, making it a great choice for both businesses and homes. Whether you need a portable solution for training, presentations, or entertainment, this TV trolley can be customized to suit your needs.

### Perfect for Multiple Uses

This stable and durable TV trolley is ideal for conference rooms, schools, trade shows, home theaters, and public venues where a flexible and movable TV solution is required. Easy assembly with included installation manual.

### Wide Compatibility with VESA Mounts

Thanks to support for multiple VESA standards (200x200 to 800x600 mm), this trolley is compatible with most TV and monitor models on the market. Simple assembly with clear instructions makes installation quick and easy.

? Invest in a flexible, durable, and professional TV solution - Order the Prokord Robust TV Trolley with Wheels today!
