- ✓ Copilot key for Windows 11 – One-touch access to Microsoft Copilot AI

Product description

Voxicon Wired Keyboard 300W – Silent, Slim, USB-C/A

The Voxicon 300W is a wired keyboard with a low profile and silent, responsive keystrokes – perfect for offices, home workspaces, or educational environments. Its modern and slim design blends seamlessly into any professional setting where comfort and efficiency are essential.

The keyboard uses a low-resistance scissor switch mechanism that delivers smooth and precise typing. A 1.5-meter USB cable provides flexible positioning, and the included USB-C to USB-A adapter makes it easy to connect to modern devices.

Key Features

- 1.5 m cable – Optimal reach and flexibility
- Slim design with scissor mechanism – Quiet, comfortable, and fast keystrokes
- Excellent typing feel – Stable keys ideal for long workdays
- FN + F-keys – Quick access to volume, media, brightness, and more
- Copilot key for Windows 11 – One-touch access to Microsoft Copilot AI
- Includes USB-C to A adapter – Compatible with both USB-A and USB-C devices

Future-Ready with Copilot Key

The Voxicon 300W is equipped with a dedicated Copilot key – a new feature in Windows 11 giving instant access to Microsoft’s AI assistant. Ideal for working smarter: summarize emails, generate content, or get intelligent suggestions directly from your desktop without leaving the keyboard.

Sleek, Quiet, and Comfortable

This keyboard is designed for users who value a clean workspace without sacrificing function. The full layout includes a numeric keypad, while the dampened keys make it perfect for open-plan offices. The Voxicon 300W Wired Keyboard is plug & play – simply connect the cable and start working, no drivers needed.
