Cirafon 4-in-1 MagSafe Charging Station – Qi2, Apple Watch, AirPods & USB-C 30W

This charging station combines Qi2 MagSafe wireless charging with a USB-C Power Delivery port and dedicated wireless areas for a smartwatch and earbuds. The MagSafe pad aligns your phone for efficient 15W charging while the USB-C port delivers up to 30W for quicker wired top-ups. Built-in under-voltage and over-voltage protection helps manage power when several devices charge at the same time, so you can leave devices charging overnight or during the workday with more confidence.
