Product description

Why choose this mobile phone case?

Cirafon CM17 -SIL provides slim, shock-absorbing silicone protection with an anti-slip finish and precise cutouts that preserve full functionality for your iPhone 17. It cushions impacts, reduces repair risk, and supports wireless charging while maintaining a pocket-friendly profile and comfortable soft-touch grip.

Silicone Case for iPhone 17 in short:

- Slim silicone cover that cushions drops and resists everyday wear.
- Soft-touch, anti-slip finish for a secure grip and comfortable handling.
- Raised edges protect the screen and dual camera assembly without adding bulk.
- Precise cutouts and tactile button covers keep ports, speakers, and controls fully accessible for iPhone 17.
- Supports wireless charging and slides easily into pockets and bags.

Cirafon CM17 -SIL

Cirafon CM17 -SIL is a soft-touch silicone cover crafted to protect your iPhone 17 while keeping the original feel and size. The silicone absorbs shocks and helps prevent scratches, and the raised bezel keeps the screen and camera lenses off flat surfaces. Accurate cutouts and responsive button covers ensure uninterrupted access to ports and functions, and the matte black finish offers a discreet, professional look.
