- ✓ For those who want to combine TV viewing, media playback and presentations
- ✓ As an extra screen at home, in the kitchen or bedroom

Product description

Voxicon LED TV 32" – Full HD with built-in tuner and smart connectivity

Introduction

Voxicon 32" LED TV is a compact and versatile TV that works just as well in meeting rooms, home offices, kitchens or smaller spaces. With Full HD resolution, D-LED backlight and built-in TV tuners for terrestrial, cable and satellite, you get a reliable TV solution for both work and entertainment. Support for streaming, recording via USB and multiple connectivity options makes it flexible in everyday use.

Who is it for?

- For small meeting rooms, waiting areas or offices
- When you need a compact TV with clear picture and easy operation
- For those who want to combine TV viewing, media playback and presentations
- As an extra screen at home, in the kitchen or bedroom

Picture and experience

The TV has Full HD resolution (1920 × 1080) and D-LED Direct Backlight, which provides even light distribution and a clear picture for its size. Functions such as dynamic contrast, noise reduction and SDR-to-HDR upscaling improve picture quality for both TV broadcasts and playback from external devices.

Sound

With 2 × 6 W RMS speakers, Dolby Digital Plus (E-AC3) and Dolby Audio Processing you get clear and balanced sound that is more than sufficient for smaller rooms. The built-in equalizer makes it easy to adjust the sound to the content.

Tuner and recording

Voxicon 32" LED TV has built-in tuners for DVB-T/T2, DVB-C and DVB-S/S2, which makes it compatible with the most common broadcast formats. With the PVR function (USB recording) you can record TV programs directly to a USB flash drive or an external hard drive.

Smart connectivity and media

The TV has built-in support for WiFi, Bluetooth and Google Cast, which makes it easy to stream content from a mobile, tablet or computer. Support for apps such as Disney+ and a wide range of video, audio and image formats via USB provides great flexibility without extra equipment.

Connections and compatibility

- 2 × HDMI (HDMI 1.4)
- USB port for media and recording

- LAN (Ethernet)
- Digital audio output (coaxial)
- Headphone output
- RF input (TV/CATV)
- CI+ slot for pay TV

Support for HDCP 2.2 and ALLM (Auto Low Latency Mode) makes the TV compatible also with game consoles and modern media players.

Design and installation

The compact 32-inch design makes the TV easy to place even where space is limited. It is delivered with a stand but is also VESA compatible, which enables wall mounting. A simple OSD menu and support for many menu languages make installation easy.

Why choose Voxicon 32" LED TV?

- Full HD picture with D-LED backlight
- Built-in tuners for terrestrial, cable and satellite
- USB recording and wide media compatibility
- WiFi, Bluetooth and Google Cast
- Compact 32" format, perfect for smaller spaces
